HEALTH & SAFETY POLICY STATEMENT

The Governors and Headmaster are fully aware of their responsibilities under The Health and Safety Work Act 1974 and other Health and Safety legislation relevant to the College's operation. The Governors of Pangbourne College, through all levels of management, are committed to ensure, so far as is reasonably practicable, that:

- All employees are safeguarded fully in respect of health, safety and welfare whilst at work.
- Pupils and members of the public including parents, visitors and contractors' employees who enter the school premises, are not exposed to any health and safety risks during the course of their business.
- No work is carried out by the school or contractors that is liable to expose employees, pupils or members of the public to hazards to health, unless suitable and sufficient assessments of the risk are made and necessary controls to prevent or control the risk have been introduced.
- All contractors are able to demonstrate that they have suitable arrangements for securing proper health and safety, including where necessary a written statement of policy.

The Governors have the ultimate responsibility for the implementation of this policy and through the Headmaster, Bursar and the Health and Safety Officer will ensure that the requirements of all health and safety legislation are established.
