

# Candidate Pack

## Teacher of Design Technology

PANGBOURNE

— Independent, co-educational day and boarding school, ages 11-18 —

# Mr Oliver Knight – Head

I joined Pangbourne in September 2024 and have had the pleasure of working with an incredibly talented and dedicated staff and Board of Governors to drive forward my vision for the school.

Pangbourne is my fourth headship and all three of my previous headships were at inner-London state schools which I transformed by driving up the educational standards. I am passionate about bringing the best from the state sector and combining it with the independent school model to ensure the best possible education and opportunities for all pupils at Pangbourne.

My two passions in life are education and the outdoors. Pangbourne enables me to combine these into the uniqueness of a Pangbournian education through access to our world-class adventure facilities set within our 230 acre site. This enables us to create an academic ethos underpinned by an adventurous spirit; where risk, failure and uncertainty are daily experiences.

It is no longer enough for pupils to just achieve great academic outcomes. As staff, we work together to ensure that pupils are prepared for not just success in school but also success in life. Our aim is to educate pupils to be a force for good in an imperfect world.

I am in the process of implementing our Campus 2030 plans and would be delighted if you applied to join me on this exciting journey for the future vision of the College.

With best wishes

Mr Oliver Knight, Head

# About Pangbourne

With over 30 years of co-educational experience, Pangbourne College is an independent day and boarding school for girls and boys aged 11-18 years, set in over 230 acres of Berkshire's Area of Outstanding Natural Beauty, with the best four mile stretch of rowing river in the country.

There are four pillars that develop and sustain a Pangbourne education: **Academic Rigour, Exploration, Community** and **Leadership**. These four components ensure all our students develop the attitudes, skills and behaviours that underpin success at school and in life. We empower each individual to fulfil their potential and develop the confidence, values and skills to make a positive difference to the world.

Pangbourne was established in 1917 as 'The Nautical College, Pangbourne' with a vision to train boys to become Merchant Navy Officers. In 1969 the College adopted the name it has today and shifted its focus to an academic education, becoming fully co-educational in 1996. Pangbourne College is not a military school and only two or three of our leavers each year go into the armed forces, but we do proudly pay tribute to our naval roots through preserving a number of traditions.

The eight **Flag Values of Kindness, Resilience, Selflessness, Moral Courage, Integrity, Initiative, Industry** and **Respect** underpin everything we do as a nurturing, pupil-centred community.

Reporting To: Head of Design Technology

Key working relationships: Members of the Design Technology Department  
Senior Management  
Teaching Staff  
Pupils, Parents and Guardians

# Department overview

## Design Technology & Engineering

### THE TEAM

There are three teachers within the department supported by a full time technician, with various specialisms across the range subjects offered.

### THE COURSE

Design and Technology is taught across Years 7–13, following the National Curriculum at Key Stage 3 and the Eduqas GCSE Design and Technology specification at Key Stage 4. In the Sixth Form, students can study AQA A Level Product Design, while the department also offers the Pearson BTEC Art and Design qualification through a Design and Technology pathway.

### THE DEPARTMENT

The department is housed in its own area which comprises three classrooms and a large well facilitated workshop including a CAD/CAM suite of 3D Printers, Laser cutter and heating printing equipment. Design and Technology is a highly popular subject across the College, with strong uptake at GCSE and A Level and a thriving BTEC course in the Sixth Form.

### OUTCOMES

Results in both DT and Product Design are excellent in 2025 97% of the cohort scored grade 4 or higher with 77% scoring a 6 or higher. At 6 Form results were good in both BTEC and A level with 100% pass rate and 50% A-B grades respectively. The department is among the highest for VA within the College. A number of pupils choose to continue to study Engineering or Product Design at university.

## Duties and responsibilities of all teachers:

- Adopting the Pangbourne Teacher Habits to maintain an evidence-led model of instruction.
- Following the appropriate schemes of work.
- Maintaining discipline within their classroom and the department.
- Regular setting of class work and preps.
- Regular marking and assessment of students' work
- Maintaining records of lessons taught and students' marks.
- Meeting assessment and reporting deadlines.
- Attending parents' meetings.
- Running academic support clinics.
- Setting appropriate work in the case of absence.
- Maintaining classroom equipment.
- Maintaining good quality classroom displays and contributing to departmental display areas.
- Supporting and helping other members of the department.
- Attending INSET or courses for professional development and generally keeping up to date with the subject and current developments/teaching techniques, feeding back to the department where relevant.
- Setting and marking internal examinations as agreed.
- Involvement in department tours and trips.
- Act as a Tutor to a small group (about 10) of pupils.
- Willingness to engage in and develop extra-curricular activities
- Complying with health and safety issues within the Science Department, reporting any faults immediately.

## Please note:

The above is only an outline of the tasks and responsibilities of the role. The post holder will carry out any other duties as may be reasonably required by his/her line manager. The job description and person specification may be reviewed on an on-going basis in accordance with the changing needs of the department and College.

This job description and accompanying documentation do not form part of the employment contract. — Independent, co-educational day and boarding school, ages 11-18 —
