

A photograph of two students, a young man and a young woman, in a science laboratory. They are both wearing dark blue school uniforms. The young man is on the left, looking towards the right with a slight smile. The young woman is on the right, looking down at a microscope. The microscope is a white and black compound microscope. In the background, other students are blurred, and there are blue walls and some green plants. The overall atmosphere is educational and collaborative.

TRANSPORT SERVICE

WELCOME

Dear Parents / Guardians,

Thank you for taking the time to look at Pangbourne College's transport service. This guide, sets out the wide range of travel options available to the pupils at Pangbourne College.

Pangbourne continues to work with Vectare, a specialist college transport management company, to manage the college bus service. Vectare are responsible for over 2.5 million independent college journeys per annum. Vectare will manage all aspects of the college's service, and any enquiries can be directed to their team at pangbourne@vectare.co.uk.

All bookings for college bus routes are made via our online booking system, which can be viewed at pangbourne.vectare.co.uk. Payment for the service is made at the time of booking and your child's name will automatically be added to the register. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the college bus service network and contains further details

including fare and timetable information. All bookings for all routes can be made via the dedicated transport website.

The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a college bus as a one off, you can make a booking right up until the bus is due to depart (subject to availability).

Other amendments and changes can also be made via the 'my account' section of the website.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website and we will be pleased to assist.

We would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

TERMS & CONDITIONS

1. This agreement is made between all College bus passengers, their parents and Pangbourne College in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from College are the responsibility of their parents. To assist with discharging this responsibility, Pangbourne College provides a College bus service.
3. Transport on the college bus service must be arranged in advance and is paid for through the online booking system. If you wish to use the College bus service on an ad hoc basis, or to vary the details of their bus travel as a one-off, you should book travel via the website prior to travel.
4. Bookings on the College bus service are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made online via pangbourne.vectare.co.uk.
6. Each pupil for whom an online form has been submitted will be added to a bus list detailing the service they travel on, their bus stop and what travel has been paid for. Their name will appear on a list which will be checked by the driver.
7. It will be the parents' responsibility to inform the College via the 'Contact Us' form on the website if they no longer wish to use the College bus service. A full College term's notice must be given by a parent prior to the removal of a pupil from the College Transport Service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours' notice the booking can be transferred to another journey. The cancellation can be made on the system but parents need to contact Vectare to apply the booking to a future date.
8. No pupil is permitted to travel on the College bus service if not pre-booked for that bus. Other arrangements for journeys to and from College must be made by them or their parents.
9. Pupils must travel to and from Pangbourne College in full College uniform or a full College PE kit (except on approved non-uniform days).
10. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don't miss the service. In the evening, parents should be at the bus stop five minutes before the scheduled time of arrival to collect a passenger.
11. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, playing music, or any other misbehaviour is strictly forbidden.
12. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.
13. Whilst on a College bus, all passengers must accept without question the authority of a transport company official or Pangbourne member or staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
14. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the College bus service.
15. Pangbourne College aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time.
