Dear Parents and Guardians

MOUTHGUARDS

All students will need a mouthguard for use in contact sport participation at school this coming year.

Titan Mouthguards will be catering for all students wishing to purchase a custom-fit mouthguard and will be visiting the school on Thursday 11 September 2025 15:20 - 17:50.

Titan also offer a remote E-Fitting service, allowing pupils to have their mouthguards fitted and received in advance of the start of the 2025/2026 school year.

If you wish to take advantage of either service, please complete your online order form by clicking the following link: <https://titanmouthguards-pangbournecollege-2025.paperform.co>

Titan suggest that orders should be placed in advance of fitting sessions at the school to avoid any delays on the day of fitting itself or with getting guards back to you. There is a £5 administration fee on all orders placed on or after the day of your child's fitting at school.

Any questions relating to mouthguards or any of the details above should be sent directly to Titan (not to school staff) via their customer service email address: info@titanmouthguards.com

Yours faithfully

S. Hewick
